## Chapter 1 by lightningstrikeshannah (I'm back!)

One day, far into the future, the government decided to make all crimes legal for twelve hours.

June 7th. Half a day of pure chaos.

I don't what made them do it, but it was the worst decision ever made. The world fell into a law breaking hell. Sure, they made an announcement when it was over, but it didn't matter.

No one listened.

And this is the story of what happened in those 12 hours.
